bob_bouley ethan loves talking about poop

Ethan describes his issues with Hasan as “personal beef…”

Leftemies

Context: Ethan was defending debating and platforming people with opposing political views (dan bilzerian, etc). Then AB makes this joke and I thought Ethan’s response was pretty candid. I guess this hasn’t been about antisemitism and it’s just a personal beef? He says they don’t disagree on things, but quickly corrects himself.
